

*"After looking at all of the logical options, **Brausse Group** was the clear choice when comparing price and performance. Today, that value continues to stand the test of time."*

– Chris Reynolds, Belk Printing Technologies

**Brausse Group** is the world's leading equipment manufacturer for the converting industry, with manufacturing bases worldwide. We have been supplying converting equipment to many different industries for **over 25 years**. The globalization of our manufacturing process enables us to maintain the highest level of product quality and innovation, at the best economical value.

Many of our facilities are either ISO9001:2000, CE and/or CSA certified for their first class workmanship. We have teams of highly trained service professionals ready to serve you because we believe that service is "the name of the game" in your daily operation.

*"...Through their help and support, **Brausse Group** has made life a lot easier for me."*

– John Didonaldo, Visual Products
